

Vacancy Announcement - Assistant Engineer

I. Position Information	
Job Code Title:	Assistant Engineer
No of positions:	1
Supervisor:	Engineer
Duty Stations:	Vavuniya
Duration:	12 months
Salary Scale:	In compliance with UN rules & regulations

II. UN-HABITAT
<p>The United Nations Human Settlements Programme (UN-HABITAT) is the United Nations agency responsible for human settlements, mandated to promote socially and environmentally sustainable towns and cities, with the goal of providing adequate shelter for all; within overall objective of the United Nations to reduce poverty and promote sustainable development. The details of the Habitat Agenda, Global Programmes and the Mandate are available in the main web site at www.unhabitat.org and the local web site at www.unhabitat.lk.</p> <p>UN-HABITAT operations in Asia include activities in Afghanistan, Bangladesh, Indonesia, Iran, Myanmar, Nepal, Pakistan, Philippines and Sri Lanka, under supervision of the Regional Office for Asia and Pacific in Fukuoka Japan.</p> <p>Since its inception in 1978, UN-HABITAT has helped the development of human settlements policies in Sri Lanka and some of the major activities implemented include Sustainable Cities Programme / Urban Governance Support Project, Lunawa Lake Improvement Project, Rebuilding Communities in the North and East, Rebuilding Community Infrastructure and Shelter in Tsunami Affected Areas, Slum Upgrading Facility (Under-served Settlements Upgrading Programme).</p> <p>UN-HABITAT was the largest post-tsunami housing reconstruction Implementing Agency, and similarly in this post-conflict environment, UN-HABITAT anticipates a significant requirement for its specialist knowledge, expertise and local experience dating back to the 1970s.</p> <p>UN-HABITAT firmly believes professional & highly competent staff is integral to the success of implementation for all its programmes.</p>

III. Shelter Support to Conflict Affected IDPs in the North of Sri Lanka
<p>The recently concluded ethnic conflict in northern Sri Lanka has left 200,000 to 230,000 war-destroyed and damaged homes. The affected families have suffered from loss of permanent shelter, family assets and livelihoods and have been forced into poverty. Further they have suffered immense psychological trauma due to the conflict that has lasted over 2 decades.</p> <p>Permanent shelter is not only a family's most valuable asset, but also their main source of safety, security & dignity. It is vital that families are resettled urgently, & empowered, using a community based methodology.</p>

UN-HABITAT with financial assistance from the Government of Australia (AusAid) has formulated this project aimed at reaching over 1,000 beneficiary families in its first phase.
